

From the Prez....

Just a few things, for our last newsletter of the summer. Don't forget to get your beers registered for the State Fair. The entry deadline has changed and I will need to get them to the Red Salamander by Wednesday, July 26th. I would like to do it the weekend before, if you want me to take them I will need them before Friday July 21. Call me or e-mail me so we can set up a time to meet, or bring them to my house.

Eric has purchased the pig, (picture to follow) for our pig roast in September and he has set a date. Saturday September 16th will be the day, we hope to eat around 4 or so. Bring a dish to pass and hopefully some kind of German Oktoberfest style beer. Also, we would like this to be a family thing, so bring the kids, Eric says he has some critters the kids might like. Also remember to bring him your spent grains to fatten the thing up.

Don't forget the Summer Bash, Saturday August 5th up in Newaygo. For this one, leave the kids home. If any ones interested, I'll be at Logan's Alley for Firsty Thursday on August 3rd.

See ya at the BASH
